

MEHFIL E ALI ASGHAR (as) REPORT

The Mehfil Ali Aghar (AS) committee had organized a 4 week programme based on the life of Prophet Ibrahim (AS) vis-à-vis Hajj (the annual pilgrimage). This programme was conducted over 4 Tuesdays of the month of August whereby lectures were given by different speakers supplemented by video clips. Approximately 80 boys attended every week. A quiz based on this will be conducted on 13th September and winners will be awarded.

The Annual Hajj Demonstration programme was held on 6th September with the assistance of the Development Society of HMBS. Approximately 150 boys attended and they were practically taken through the Hajj rituals one by one and relevant explanations were provided. We thank the volunteers and parents for their support and ask for their continued support in the upcoming programs which include the Annual Sports Day on 18th September, Eid e Ghadir Drama and Prize Giving programme on 20th September and Eid e Mubahila programme on 27th September.

Below are some of the pictures of the above mentioned programmes:
